## Service to Community Report

The DOME department conducted a community service at Sai Mandir, Upper India Nagar, Bibewadi. The primary aim of this activity was to positively impact the local community, particularly children, by imparting moral values and engaging them in constructive activities.

Faculty taught moral stories and engaged children in activities like storytelling, coloring, and model development. The event fostered moral education and creativity among the children, promoting community bonding and holistic education. The following faculties from the department were involved in the activity:

- 1) Prof. Kishori Deogaokar
- 2) Prof. Sheela Chinchmalatpure
- 3) Prof. Amruta Amune
- 4) Prof. Neha Rajas

Throughout the event, the atmosphere was filled with enthusiasm and positivity. The children actively participated in all the activities, showing eagerness to learn and explore. The faculty members provided individual attention and support to ensure that every child felt included and valued.
