Individual Event Reports

Event 1

Name of the event:	UNITY Tech Blast
Dates of event:	February 5th to 8th, 2024
Online Platform/ Venue:	Classrooms 1222 and 1224
Event span (hours/days)	2 hours/ day
Footfall/Total attendance	35
Name and contact of the key organiser(s)	Shivam Shinde Tanmay Adbale
No. of people involved in the organising committee (all levels of hierarchy included, Core team to Volunteers)	28
Objective of the event	To familiarize students with a popular game development software known as UNITY
Brief description of the said event	Game Dev + conducted a game development workshop for all game development enthusiasts. The workshop was mainly focused on introducing students to the popular game engine known as UNITY. Students participating in the workshop greatly benefited as they learned the journey of game development from the very beginning. The workshop aimed to prepare students in such a way that they would be able to create creative games on their own.
Key event outcomes	Every participant in the workshop was introduced to the realm of game development in a very intuitive and simplistic way. Participants were able to create small games in UNITY game engine on their own.
Milestones set by the event (if any)	
Name and bio of chief guest along with social media links (if any)

So Nice of this Workshop.
Had a great time. The team was very helpfull and engageing. The team worked diligently to assist us all. Most importantly the were calm and understanding.
Really nice session.
Akshay Chame
I have learned a lot from this
hoping to learn a lot more in the upcoming
