Microsoft Learn Student Club

Purpose of the club:
MLSC VIT Pune is committed to fostering technical growth and innovation among students by organizing workshops, hackathons, and speaker sessions. Our aim is to empower students and provide them with opportunities to network and learn in the ever-evolving tech industry.

Achievements or highlights:
MLSC VIT Pune has successfully organized several impactful events, including Hackspiration'24 with over 750 participants globally and a prize pool of 9k USD, Designathon 2023 with renowned speakers and a prize pool of ₹10,000, and TechTrek focusing on internships and competitive programming, attracting 456 participants.

Message for students:
Join MLSC VIT Pune to elevate your tech journey! Dive into innovation, coding, and networking through our dynamic events. Unleash your potential in the tech industry with us!

About the Club:
MLSC VIT Pune is the official tech community club of Vishwakarma Institute of Technology. It conducts workshops, hackathons, and speaker sessions to nurture technical growth and innovation among students.

Our Principle: Learn | Build | Inspire
