

Team VishwaNetrutvam

VishwaNetrutvam fosters a vibrant research culture alongside engaging extracurricular and social activities. Through competitions, it nurtures all round skill development, enhancing both soft and technical aptitudes. This comprehensive approach empowers success in individuals to diverse personal professional spheres.

MISSION

- To enhance the technical and soft skills of students.
- To promote the research culture among the students by participation in departmental research projects.
- To organise social and extracurricular activities and competitions for all-round skill development.

VISION

Holistic overall development of Mechanical Engineering students to tackle real-time global challenges.

VALUES

To uphold personal integrity, compassion, empathy and respect for others' individuality to achieve the Global Leadership role i.e. Vishwa-Netrutvam Ambassador Status.
